Synchronization with Customers, Vendors, and Bank Accounts.....	24
Duplicate Search	26
E-Mail Logging	29
Quick Interaction: Lessons Learned.....	31
Chapter 3: Contacts	33
Setting up Contacts	34
Setting up Web Sources.....	36
The Contact Card	38
Creating Contact Companies	44
Test Your Skills – Setting Up a Contact Company.....	47
Creating Contact Persons	48
Test Your Skills – Creating Contact Persons	50
Searching for Contacts.....	51
Test Your Skills – Finding a Contact	62
Searching for Duplicates	63
Synchronizing Contacts with Customers, Vendors, and Bank Accounts.....	65
Test Your Skills – Creating a Contact as a Customer	69
Test Your Skills – Linking a Bank Account Card to a Contact Card	71
Test Your Skills – Deleting a Customer Card.....	73
Exporting Contacts	74
Contact Statistics.....	74
Contact Reports	76
Test Your Skills – Chapter Review.....	79
Test Your Skills – Self-Test	80
Quick Interaction: Lessons Learned.....	81

Chapter 4: Interactions and Document Management 83

Introduction..... 84
Setting up Interactions..... 84
Test Your Skills – Create an Interaction Template with an Attachment 89
Using the Create Interaction Wizard..... 93
Test Your Skills – Recording Interactions..... 98
Phone Calls 99
Test Your Skills – Making a Phone Call 101
E-Mails 102
Test Your Skills – Sending an E-Mail 104
Automatically Recorded Interactions 105
Test Your Skills – Creating Automatically Recorded Interaction 108
Canceling and Deleting Interaction Log Entries 109
Interaction Statistics 109
Test Your Skills – Creating a Sales Quote and an Order for the
Interaction Log..... 111
Quick Interaction: Lessons Learned 112

Chapter 5: Campaigns and Segmentation 113

Introduction to Campaigns and Segments 114
Setting Up Campaigns 114
Creating Campaigns..... 115
Test Your Skills – Creating an Interaction Linked to a Campaign 120
Creating Segments..... 121

Creating Interactions for Segments 127
Test Your Skills – Sending a Letter to a Segment..... 129
Creating Segments by Reusing Logged Segments..... 133
Creating Segments by Reusing Saved Segment Criteria..... 136
Campaign Pricing 137
Campaign Statistics..... 141
Test Your Skills – Planning a Campaign 142
Test Your Skills – Recording Responses 143
Test Your Skills – Using Saved Segmentation Criteria 144
Quick Interaction: Lessons Learned 145

Chapter 6: Task Management	147
Introduction to Task Management	148
Setting Up Teams and Activities	148
Creating To-dos	151
Assigning Activities	155
Creating Recurring To-dos	157
Modifying To-dos	159
Converting Team To-dos	160
Sending E-Mail Meeting Invitations	162
Closing, Canceling, and Deleting To-dos	164
Viewing Statistical Information about To-dos	167
Test Your Skills – Creating a Recurring To-do	169
Test Your Skills – Creating Teams of Salespeople	170
Test Your Skills – Assigning Activities	171
Test Your Skills – Deleting Closed To-dos	172
Test Your Skills – Adding to a To-do of the Meeting Type	173
Test Your Skills – Sending E-Mail Meeting Invitations Using MAPI	174
Quick Interaction: Lessons Learned	175
Chapter 7: Outlook Integration	177
Introduction to Outlook Integration	178
Setting up Outlook Integration	178
Synchronizing Contacts and Salespeople in Real-time	184
Synchronizing To-Dos in Real-Time	187
Viewing Outlook Items from Microsoft Navision and Microsoft Navision Records from Outlook	193
Synchronization of Batch Jobs	198
Conflict Resolution and Error Handling	203
Test Your Skills – Setting Up Synchronization with Outlook	207
Test Your Skills – Integrating a Contact From Outlook	208
Test Your Skills – Integrating a Contact From Navision	209
Test Your Skills – Integrating a Contact From Navision	210
Test Your Skills – Integrating a To-do of Type Blank or Phone Call	211
Test Your Skills – Integrating a Task	212
Test Your Skills – Integrating a To-do of Type Meeting	213
Test Your Skills – Integrating an Outlook appointment	214
Test Your Skills – Resolving Company Field Conflicts	215
Test Your Skills – Resolving Version Conflicts	216
Test Your Skills – Synchronizing To-dos within a Specified Period	217
Quick Interaction: Lessons Learned	218

Chapter 8: Opportunity Management 219

Introduction to Opportunity Management 220
Setting Up Opportunities 220
Creating Opportunities 224
Updating Opportunities 228
Creating To-dos for Opportunities 229
Creating Sales Quotes and Orders for Opportunities 231
Closing and Deleting Opportunities 233
Statistics 235
Test Your Skills – Setting Up a Sales Cycle 244
Test Your Skills – Activating Sales Stages 245
Test Your Skills – Viewing Lost Opportunities 246
Quick Interaction: Lessons Learned 247

Chapter 9: Profiling and Classification 249

Introduction to Profiling and Classification 250
Profile Questionnaires 251
Contact Rating 255
Entering Contact Profiles 257
Creating Segments Using Profile Information 258
Test Your Skills – Adding Contacts to a Segment 260
Updating Profile Questionnaires 261
Testing and Printing Questionnaires 262
Test Your Skills – Setting Up a Questionnaire 265
Test Your Skills – Rating Your Contacts 266
Quick Interaction: Lessons Learned 267

Chapter 10: Multilanguage Salutation and Attachment 269

Introduction 270
Setting Up Salutation Formulas 270
Assigning Salutation Code to the Contact 272
Creating an Interaction Using Salutation Code 273
Creating Interaction using a Segment Including Logging of the Segment 275
Test Your Skills – Creating Salutation Formulas 278
Test Your Skills – Creating Interaction Using a Segment 279
Quick Interaction: Lessons Learned 280

Chapter 11: Quotation to Contacts 281

Introduction 282
Setting up Customer Templates 282
Making a Sales Quote from the Opportunity List Window 283
Making a Sales Quote from the Sales Quote Window 285
Creating a Sales Order from the Sales Quote Window 286
